Section	A.	All	Supporting	Organizations
---------	----	-----	------------	----------------------

- Are all of the organization's supported organizations listed by name in the organization's governing documents? If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.
- 2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).
- 3a Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? If "Yes," answer (b) and (c) below.
- b Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? If "Yes," describe in Part VI when and how the organization made the determination.
- c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? If "Yes," explain in Part VI what controls the organization put in place to ensure such use.
- **4a** Was any supported organization not organized in the United States ("foreign supported organization")? If "Yes," and if you checked 12a or 12b in Part I, answer (b) and (c) below.
- b Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.
- c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.
- 5a Did the organization add, substitute, or remove any supported organizations during the tax year? If "Yes," answer (b) and (c) below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).
- **b** Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?
- c Substitutions only. Was the substitution the result of an event beyond the organization's control?
- 6 Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? If "Yes," provide detail in Part VI.
- 7 Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? If "Yes," complete Part I of Schedule L (Form 990 or 990-EZ).
- 8 Did the organization make a loan to a disqualified person (as defined in section 4958) not described in line 7? If "Yes," complete Part I of Schedule L (Form 990 or 990-EZ).
- 9a Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? If "Yes," provide detail in Part VI.
- b Did one or more disqualified persons (as defined in line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? If "Yes," provide detail in Part VI.
- c Did a disqualified person (as defined in line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? If "Yes," provide detail in Part VI.
- 10a Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? If "Yes," answer 10b below.

#### Part II **Declaration and Signature Authorization of Officer**

Under penalties of perjury, I declare that I am an officer of the above organization and that I have examined a copy of the organization's 2019 electronic return and accompanying schedules and statements and to the best of my knowledge and belief, they are true, correct, and complete. I further declare that the amount in Part I above is the amount shown on the copy of the organization's electronic return. I consent to allow my intermediate service provider, transmitter, or electronic return originator (ERO) to send the organization's return to the IRS and to receive from the IRS (a) an acknowledgement of receipt or reason for rejection of the transmission, (b) the reason for any delay in processing the return or refund, and (c) the date of any refund. If applicable, I authorize the U.S. Treasury and its designated Financial Agent to initiate an electronic funds withdrawal (direct debit) entry to the financial institution account indicated in the tax preparation software for payment of the organization's federal taxes owed on this return, and the financial institution to debit the entry to this account. To revoke a payment, I must contact the U.S. Treasury Financial Agent at 1-888-353-4537 no later than 2 business days prior to the payment (settlement) date. I also authorize the financial institutions involved in the processing of the electronic payment of taxes to receive confidential information necessary to answer inquiries and resolve issues related to the payment. I have selected a personal identification number (PIN) as my signature for the organization's electronic return and, if applicable, the organization's consent to electronic funds withdrawal.

#### INDEPENDENT AUDITORS' REPORT

To The Board of Trustees Community Service Society of New York and Affiliates New York, New York

### Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Community Service Society of New York and Affiliates, which comprise the balance sheets as of June 30, 2020 and 2019, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Community Service Society of New York and Affiliates as of June 30, 2020 and 2019, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Emphasis of a Matter

As discussed in Note 2 to the consolidated financial statements, in fiscal year 2020 Community Service Society of New York and Affiliates adopted Accounting Standards Update No. 2018-08 Not for Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958); and, No. 2014-09 Revenue from Contracts with Customers (Topic 606). Our opinion is not modified with respect to these matters.

### Nature of the Organizations

Community Service Society of New York (CSS) and its affiliated organizations, Institute for Community Empowerment (Institute), and Friends of R.S.V.P., Inc. (CSS and its affiliates are collectively referred to as the Society), are affiliated through common board control. CSS is a 501(c)(3) not-for-profit corporation operating under a Certificate of Consolidation granted by the State of New York in 1939, merging the New York Association for Improving the Condition of the Poor and The Charity Organization Society of the City of New York. It is a private, nonsectarian, voluntary social service agency. The mission of Community Service Society of New York is to identify problems which create a permanent poverty class in New York City and to advocate the systemic changes required to eliminate such problems. CSS's primary goals are to advocate for better job opportunities to break the cycle of intergenerational poverty that particularly affects communities of color; promote policies and programs that advance the economic security of the poor and working poor; and promote health care reform as an essential strategy for alleviating barriers to employment and economic stability.

The Institute is a 501(c)(4) not-for-profit corporation which was established in November 1988 to perform certain electoral advocacy, research, and lobbying activities with other community-based organizations. The Institute did not engage in any activities during either of the years ended June 30, 2020 and 2019.

Friends of R.S.V.P., Inc. is a 501(c)(3) private foundation created in 1986 as a fund-raising vehicle for the Retired and Senior Volunteer Program administered by CSS. On January 23, 2005, the Board of Trustees voted to dissolve the Friends of R.S.V.P., Inc. Implementation of this decision has yet to occur citing the potential of a name change or reorganization.

The Society's primary sources of revenues are contributions, government grants and investment income.

#### Summary of significant accounting policies

This summary of significant accounting policies of the Society is presented to assist in understanding the Society's consolidated financial statements. The consolidated financial statements and notes are representations of the Society's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America as promulgated in FASB Accounting Standards Codification (the Codification) and have been consistently applied in the preparation of the consolidated financial statements.

### Principles of consolidation

The consolidated financial statements include the accounts of CSS, Institute and Friends of R.S.V.P., Inc. All material intercompany balances and transactions have been eliminated in consolidation.

### Basis of presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Society and changes therein are classified and reported as follows:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Society. These net assets may be used at the discretion of the Organization's management and the Board of Trustees. Included within net assets without donor restrictions are board-designated net assets of \$83,475 and \$83,489 as of June 30, 2020 and 2019, respectively.

<u>Net assets with donor restrictions</u> - Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

# Functional allocation of expenses

The costs of providing various programs and support services have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Accordingly, natural expenses attributable to more than one functional expense category are allocated using a variety of cost allocation techniques such as time and effort and square footage.

### Measure of operations

The consolidated statement of activities reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Society's ongoing services and interest and dividends earned on investments. Nonoperating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

## Fair value of financial instruments

The carrying amounts reported on the consolidated balance sheet of the Society approximate their fair value.

# Income taxes

The Organizations' are tax-exempt organizations as defined by the Internal Revenue Code, though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Organization has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. The Organization has determined that there are no material uncertain tax positions that require recognition or disclosure in the consolidated financial statements.

### Operating revenue and support

The Society recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Bequests are recognized when the Society receives notification that the probate court has declared the will valid. Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Conditional promises to give are contributions with a measurable performance or other barrier and a right of return. Contributions with conditions are not recognized until the conditions upon which they depend have been met.

A significant portion of the Society's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Society has incurred expenditures in compliance with specific contract or grant provisions. Amounts received on cost reimbursement grants, prior to incurring qualifying expenditures, are reported as refundable advances in the consolidated balance sheet. Under the terms of funding agreements with various governmental agencies, certain reported expenditures are subject to audit and acceptance by the funding agencies. In the opinion of management, adjustments, if any, resulting from future audits, should not have a material effect on the Society's financial position or changes in its net assets.

The Society recognizes revenue from special events when the event takes place. The Society records special event revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received. Amounts received prior to the commencement of the event, including deposits, are deferred to the applicable period.

In-kind contributions are reflected as contributions at fair value at date of donation and are reported as support without donor restrictions unless explicit donor stipulations specify how donated assets must be used. The Society recognized no in-kind donations during either of the years ended June 30, 2020 and 2019.

Several volunteers have made significant contributions of their time in furtherance of the Society's mission. These services were not reflected in the accompanying consolidated statement of activities because they do not meet the necessary criteria for recognition under U.S. GAAP.

### Cash and cash equivalents

Cash consists of demand deposit accounts which are highly liquid financial instruments with maturities of three months or less. Cash equivalents that are held in the Society's investment portfolio are classified as investments and are not considered to be cash for the purposes of the consolidated statement of cash flows.

# 2. Summary of significant accounting policies (continued)

#### Investments

Investments are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the consolidated balance sheet. The Society invests in various types of investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, based on the markets' fluctuations, and that such changes could materially affect the amounts reported in the Society's consolidated financial statements. Investment fees are netted against the investment return.

#### Government and other receivables

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Discount amortization is included in contribution revenue. Conditional promises to give are not included as support until the conditions are met. All government and other receivables were due within one year as of both years ended June 30, 2020 and 2019.

### Allowance for doubtful accounts

Receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of client balances by management. Factors used to determine whether an allowance should be recorded include the age of the receivable and a review of payments subsequent to year end. As of both June 30, 2020 and 2019, management determined that an allowance was not necessary.

### Beneficial interest in perpetual trusts

The Society has beneficial interests in various perpetual trusts. The Society's interest in these trusts is reported as a contribution in the year received at their fair value. Changes in the fair value of the underlying assets are recognized as income or loss on the consolidated statement of activities.

#### Property and equipment

Property and equipment are stated at cost, if purchased, or at fair value at the date of the gift, if donated, less accumulated depreciation. Depreciation is provided in amounts sufficient to amortize the cost of the property and equipment over the estimated useful lives on a straight-line basis.

Building 39 years
Building improvements 15 years
Computer and office equipment 3 - 7 years

The cost of assets sold or otherwise disposed of and the accumulated depreciation thereon are eliminated from the accounts and the resulting gain or loss is reflected in income. Expenditures for maintenance and repairs are charged to expense as incurred; replacements and betterments that extend the useful lives are capitalized.

# 2. <u>Summary of significant accounting policies</u> (continued)

#### Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Reclassifications

Certain amounts in the 2019 consolidated financial statements have been reclassified to conform to the 2020 presentation.

#### Recently adopted accounting pronouncements

The Society has adopted Accounting Standards Update No. 2018-08 Not for Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958); and, No. 2014-09 Revenue from Contracts with Customers (Topic 606) as management believes the standards improve the usefulness and understandability of the Society's financial reporting.

Analysis of various provisions of these standards resulted in no significant change in the way the Society recognize revenue, except for certain government grants which had previously been treated as without donor restriction. These amounts have been reclassified as with donor restriction in the amount of \$20,339 for the year ended June 30, 2019. Since these grants were cost reimbursement grants, the same amounts were released as of June 30, 2019. The presentation and disclosures of revenue have been enhanced in accordance with the standard.

## Availability and liquidity

The following reflects the Society's financial assets as of June 30, 2020, reduced by funds not available for general use due to restrictions imposed by either the governing board and/or donor-imposed restrictions within one year of the consolidated balance sheet date. However, funds already appropriated from donor-restricted endowment for general expenditure within one year of the consolidated balance sheet date are not deemed unavailable.

The following represents the Society's financial assets at June 30, 2020:

Financial assets at June 30: Cash and cash equivalents Investments Government and other receivables	\$	3,603 143,936 12,401

### Availability and liquidity (continued)

The Society's operations are substantially supported by restricted contributions and government grants. Because donor-imposed restrictions or contractual obligations require resources to be used in a particular manner or in a future period, the Society must maintain sufficient resources to meet these responsibilities. Thus, financial assets may not be available for general expenditure within one year. As part of the Society's liquidity management, there is a policy in place to structure financial assets to be available as obligations become due. The Society's goal is generally to maintain financial assets to meet 90 days of operating expenses, approximately \$8,800. Cash in excess of daily requirements is invested in short-term investments.

In addition, the governing board has designated \$5,000 as operating reserve that may be drawn upon in the event of financial distress or an immediate liquidity need resulting from events outside the typical life cycle of converting financial assets to cash or settling financial liabilities. The Society also had \$6,000 available on its line of credit to meet unanticipated liquidity needs at June 30, 2020.

#### 4. Risks and uncertainties

Financial instruments that potentially subject the Society to concentrations of credit risk consist principally of cash and cash equivalents, investments, and governmental and other receivables. The Society maintains its cash and cash equivalents in bank deposit accounts, the balances of which, at times, may exceed federally insured limits. Exposure to credit risk is reduced by placing such deposits in high quality financial institutions. The Society limits its exposure by performing periodic evaluations of the financial institution where it maintains its cash and cash equivalents. Investment securities are exposed to various risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the consolidated financial statements. Concentration of credit risk with respect to receivables is limited due to the fact that they are mainly derived from governmental agencies.

In the first quarter of 2020, the outbreak of a novel strain of coronavirus, COVID-19, was declared a Pandemic. The Pandemic did not have an impact on the Society until mid-March 2020. In response to the Pandemic, management has modified certain business and workforce practices and implemented new protocols to promote social distancing and enhance health and safety measures in their office. In addition, most of the Society's workforce continues to work from home. The Pandemic also impacted the Society's direct service programs that now required the exclusive use of technology to continue its operations. To the date of these consolidated financial statements, there has been no significant programmatic slowdowns or funding changes. However, events surrounding the Federal and State of New York responses to the Pandemic could change this, and that change could be material.

#### 6. Fair value measurements

The Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Society has the ability to access at the measurement date;
- Level 2 Inputs other than quoted prices that are observable for the assets or liability either directly or indirectly, including inputs that are not considered to be active;

Level 3 - Inputs that are unobservable.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad criteria data, liquidity statistics, and other factors.

An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the Society. The Society considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, provided by multiple, independent sources that are actively involved in the relevant market.

The categorization of an investment within the hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to the Society's perceived risk of that investment.

The following is a description of the valuation methodologies used for assets measured at fair value.

**Money market funds, fixed-income securities and equities** - Valued at the closing price reported on the active market on which the individual securities are traded.

**Mutual funds and real estate funds** - Valued at the net asset value (NAV) of shares held at year end as determined by the managers of the underlying funds.

**Alternative investment** - There are no observable inputs and certain of the underlying investments are not publicly traded and there is no secondary market for such funds. These mutual funds are valued by the managers of the underlying funds at the NAV of shares held by CSS at year end or other pricing methodologies.

**Beneficial interest in perpetual trusts** - Beneficial interest in perpetual trusts is valued at fair value of the Society's beneficial interest in the fair value of underlying assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Society believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### 9. Paycheck Protection Program loan

On May 08, 2020, the Society was granted a loan in the amount of \$3,068 pursuant to the Paycheck Protection Program (the PPP). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and related interest are forgivable as long as the Society uses the loan proceeds for eligible payroll and nonpayroll costs, while maintaining its payroll levels.

The Society will not recognize income until all conditions are met and the loan forgiveness application has been processed by the Small Business Administration (SBA). The application for forgiveness has not yet been made available by the Society's lending institution. Any unforgiven portion of the PPP loan would be payable up to two years at an interest rate of 1% with payments commencing at the date that the SBA remits the Society's loan forgiveness amount to the lender. At the time of the issuance of this report, the Society believes that they will meet the requirements for a full forgiveness of the loan.

#### 11. Endowment funds

The Society's endowment fund consists of both donor-restricted endowment funds which are classified and reported based on the existence or absence of donor-imposed restrictions and board-designated endowment funds. Board-designated endowment funds are portions of net assets without donor restriction which are designated or earmarked for long-term investment and functions as an endowment (Quasi-endowment). Any donated gift instructions received for particular purpose that the Society is unable to spend in the near term may be designated by the board for long-term investment and recognized as net assets with donor restrictions until those funds are used.

The Society's Board of Trustees is responsible for the long-term investment policies of the endowment funds, unless otherwise specified by the donor.

The Society has adopted the New York Prudent Management of Institutional Funds Act (NYPMIFA). As a result of this interpretation, the Society classifies endowment funds with donor-imposed restrictions as net assets with donor restrictions and income generated from those assets are time restricted until the Board of trustees appropriates them for expenditure. Most of those funds are also subject to purpose restrictions that may be met before they are released from restrictions.

NYPMIFA moves away from the "historic dollar value" standard and permits charities to apply a spending policy to endowments based on certain specified standards of prudence. The Society is now governed by the NYPMIFA spending policy, which establishes a maximum prudent spending limit of 7% of the average of its previous five years' balance.

The Society's Board of trustees has interpreted this change of policy as not requiring the maintenance of purchasing power of the original gift value contributed to the endowment fund, unless a donor stipulated to the contrary. As a result of this interpretation, when reviewing donor-restricted endowment funds, the society considers a fund to be underwater if the fair market value of the fund is less than its original initial value of gifts donated, the original value of subsequent gifts added to the fund and or any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. NYPMIFA has permitted spending from underwater funds in accordance with prudent measures as required under the law.

In addition to NYPMIFA prudent measures, the Society consider the following factors when determining to appropriate or accumulate donor-restricted endowment funds:

- The purpose of the donor restrictions
- Anticipated income and appreciation of the assets
- Preservation and duration of the fund
- General economic conditions
- The availability of other resources
- The investment policies of the Society

### 11. Endowment funds (continued)

### Return objectives, strategies employed and spending policy

The overall financial objective of the endowment is to provide the operations of the Society with a relatively stable stream of spendable revenue that increases over time and matches the general rate of inflation, as measured by the Consumer Price Index.

The long-term investment objective for the endowment fund is to attain a total return (net of investment management fees) of at least 6% per year in excess of inflation. This objective assumes that withdrawals from the Fund will average, long term, no more than 6% of the Fund's value over time.

### Funds with deficiencies

The Society does not have any funds with deficiencies.

#### Employee benefit plans

## Pension plan and other post-retirement benefits

The Society has a noncontributory defined benefit pension plan (DB plan) covering substantially all employees. The Society also maintains life insurance benefits and contributory group medical benefits for full-time employees (i.e., those who worked 30 hours or more per week) employed prior to July 1, 1978 who retired at or after age 55 and were not covered by the terms of the collective bargaining agreement providing health benefits through the 1199 National Benefit Fund. The Society is required to accrue the estimated cost of these retiree benefit payments during the employees' active service period. The Society pays the cost of post-retirement benefits as incurred.

The following tables summarize each plan's funded status at June 30:

	Pension benefits	2020 Other benefits	Total

The accumulated benefit obligation for the defined benefit pension plan was \$58,794 and \$50,628 at June 30, 2020 and 2019, respectively.

The Mortality table RP2000 with Generational Projection Scale MP-2017 used for both pension and other benefits as of June 30, 2019 was updated to RP2006 with Generational Projection Scale MP-2018 as of June 30, 2020.

An assumed long-term rate of return of 7.00% for both the years ended June 30, 2020 and 2019 was used for the pension plan. In developing this rate, the Society evaluated input from its actuaries on asset class return expectations and long-term inflation.

For measurement purposes with respect to other benefits, a 4.70% and 6.80% health care cost trend rate was assumed for 2020 and 2019, respectively.

#### 403(b) Plan

In addition, the Society has established a 403(b) plan for all employees; however, only non-union employees are eligible to participate for purposes of matching contributions. The Society matches employee contributions to the plan at a rate of 50% up to the first 6% of each employee's salary. Salary deferrals in excess of \$12 are not matched. The Society's contributions to the plan were \$179 and \$175 during the years ended June 30, 2020 and 2019, respectively.

## 15. Significant source of support

The Society received approximately 75% and 81% of its operating revenue and support, excluding investment returns, for the years ended June 30, 2020 and 2019, respectively, from New York State agencies. Amounts due the Society from these agencies were \$8,505 and \$6,255 at June 30, 2020 and 2019, respectively. Contracts with the funding agencies were renewed at comparable amounts for the upcoming fiscal year.

### 16. Collective bargaining agreement

Certain employees are covered by a collective bargaining agreement. The agreement with 1199 SEIU United Healthcare Workers East is effective through December 31, 2023. Payments made to the National Benefits fund were \$888 and \$710 for the years ended June 30, 2020 and 2019, respectively.

### Subsequent events

Subsequent events have been evaluated through December 2, 2020, which is the date the consolidated financial statements were available to be issued. All subsequent events requiring recognition or disclosure as of June 30, 2020 have been incorporated into these consolidated financial statements. The Society is not aware of any material subsequent events.
